Life Celebration

because love goes on.

A life celebration starts with a simple premise. "That every life is meaningful and deserves to be recognized and celebrated." From that basic idea, your life celebration can become whatever you want it to be. It may even be held days, weeks or months after the death.

A Life Celebration is . . .

Purpose – it allows family and friends to create a profound tribute to the life that your loved ones lived, and everyone that their life may have touched.

Guidance – We can help guide you through developing a celebration that remembers the life of your loved one. Whether he or she was involved in sports, military services, religious or community activities or simply enjoyed being surrounded by family and friends.

Choices – By listening and understanding your desires we can create a truly memorable celebration, one that allows family and friends to come together, bringing comfort at a time of loss.

Memories – We can facilitate your celebration, allowing family and friends to share dear memories and personal remembrances.

Simplicity – Recognizing that this is a difficult time for family and friends, we assist you in creating your celebration of life without any undue burden on family and friends.

*a lifetime of
memories.*

*a loved one
remembered.*

*the experiences
of a lifetime.*

a life well lived.

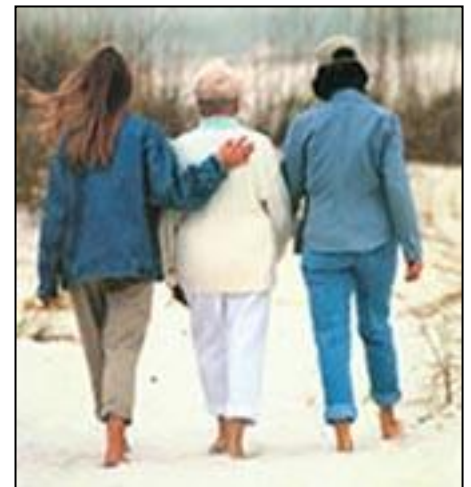

a loving tribute.

Our father kept a garden
A garden of the heart
He planted all good things
That gave our lives a start

He turned us to the sunshine
And encouraged us to dream
The seeds of what we'll be

We are our father's garden
We are his legacy

Those we love remain with us for love itself lives on,
And cherished memories never fade because a loved one's gone.
Those we love can never be more than a thought apart, for as long
as there is memory, they'll live on in the heart.

Comfort and Trust

Thank you so much for all you did for our family. Woody looked so good, and there was nothing else you could have done to make everything better....it was all perfect. I was especially touched by the way you had Kasiah help get Woody ready when it was time to close the casket. That little girl is having a hard time adjusting to not having her brother here. The funeral was flawless. Having the Scouts do their thing each time we walked was wonderful. Anyway, please know that we appreciate you Todd and the personal interest you took in taking care of our boy. It was all very professional, but also very personal.

~ Raelynn Johnson

I just wanted to thank you for all you did relating to my mother, Necia Mullett's service. We were so impressed and touched by your sensitivity, professionalism, your kind and gentle actions and demeanor. We were equally impressed and grateful for how everything was conducted when my dad passed away in 2003. Thank you again and thank to So, Utah Mortuary for their excellent service. We couldn't have had a better experience - from the beginning of our planning the funeral plans to the burial at the end.

~ Kris Plummer

How can we express the feelings in our hearts to let you know how much you have touched our lives with your service and deeds. Brodee will be missed, but you have made his passing special with your thoughtfulness. We can't say thank you enough.

~ The Lewis Family.

Thank you for your kind and expert work you did for us at the passing of our mother. Everyone said how good she looked, I was afraid we'd have to have a closed casket, but you made her just like we remembered her many years ago. Thank you so much.

~ Donlee Simkins

Just a note to say thank you for the services you provided. We were very impressed with the way Todd provided this service in our time of loss. He was very caring and we appreciate him and your staff. We have never had the type of professionalism that was shown to us. Thank you.

~ Norine Hinton, Chuck Cracraft & Marie Langston

I wanted to extend my sincere gratitude for the care, service and dignity you gave. Your generosity was far above what we could hope for and I wanted to say thank you from all of us. Your sense of community and compassion will not be forgotten.

~ JoAnna Batt
